STANLEY CALLS ON WILSON AT WASHINGTON

President Working Hard—Would Like To Make Another Speech Before Returning To Paris.

(By Associated Press)

Washington, Feb. 26—In addition to prompt action at this session on the big appropriation bills, President Wilson intends to urge Congress to expedite the passage of the oil leasing and water power bills, a provision continuing the United States employment service, and Secretary Lane's bill appropriating a hundred million dollars for the reclamation of land to be opened to soldiers and sailors. For this purpose he will confer with Senators at the capital probably today if his engagements permit.

The President plans to do everything possible to aid the passage of imperative legislation in the few remaining days of this session, now that he has determined not to call an extraordinary session until after he returns from Europe, which probably will be not earlier than June 1st. The President was said to be anxious to make another speech before returning to Europe but it is not certain if time will permit.

The President continued today to dispatch a great amount of business. Meanwhile he saw a steady stream of callers, including Governor Stanley, Senator-elect from Kentucky.

To Discuss Hog Prices

(By Associated Press)

Washington, Feb. 26—Continuation of hog prices will be discussed at a food administration meeting late today. Their continuation will depend upon whether the food administration decides to lift the exportation ban, which, food officials predict, would mean abandonment of the price agreement policy and put hogs on a free market basis.

Commissioner's Sale

Mary C. Burgin's Excr. Plaintiff

vs.
Mary C. Burgin's Heirs, etc., Defts.
Pursuant to a judgment and order of sale entered in the above styled action, by the Madison Circuit Court, at its February term, 1919, the undersigned Commissioner will expose to public sale to the highest and best bidder, at the hour of 11 o'clock a. m. on premises, on

TUESDAY, MARCH 11, 1919
the following described property:

A certain tract of land in Madison county, Ky., on the west fork of Otter Creek, and on the Hitch Mill Road, and described by old survey as follows:

Beginning at a stone corner; thence S 66 W 39 poles, N 46 W 28 poles, to a beech; thence S 79 1/2 W 11 poles to a stake in the road; thence along the middle of the road and Samuel Bennett's line, N 5 1/2 W 4 poles N 37 W 16 poles N 15 1/2 W 27 poles, N 5 1/2 W 23 N 25 1/2 W 70 poles to beech at old Chenault corner in Bennett's; line, thence N 68 E 26 poles, N 68 E 55 1/2 poles to a stone, the Chenault corner; thence S 13 1/2 E 17 poles to the beginning, containing 70 acres.

Terms—Said land will be sold on a credit of six and twelve months, the purchaser being required to execute sale bonds with approved security payable to the Commissioner and bearing 6 per cent interest from day of sale until paid, with a lien retained on the land to secure same.

15c For Butcher Heifers

M. M. Hamilton and Major Wells have just bought half a dozen of the choicest heifers for their growing butcher trade from the firm of Collins and Taylor, local stock dealers. The heifers averaged around 550 pounds, and the buyers paid the handsome price of 15 cents a pound for them. This seems high, but the quality of the young heifers was the best and that's what the buyers say they have to have for their trade. Incidentally Collins and Taylor had a few steers on hand that would be extra fine for big thick steaks, but they won't last long, of course.

Big Court Day In Prospect

A big run of cattle seems assured for the Richmond stock yards Monday. Already many car lots of cattle have gotten in, and with prices up, trading promises to be mighty good.

Gilbert Smith has gotten in from Clay county with 150 head; Si. Jones has brought down 100 from Laurel. A number of local stock men are going to have some sizeable bunches on the markets, and trading is going to be good.

Normal School Notes.

(W. B. Trosper, Reporter)
The boys who have been wearing the khaki and are now students in the Normal are planning some real treats for the Normal people by giving to the students some idea of real camp life in various forms.

The basket ball game between Eastern and Trancy was easily pointed out as the leading feature of the day. The home team showed the real spirit of sportsmanship and was in the game until the last whistle blew. Our boys are just waking up to real basket ball and they promise in the near future to carry off more victories than they have in the past. The score of the past evening was 26 to 14, in favor of our visitors. Our next game will be Friday night with Danville High School. Don't fail to see this game.

Mr. David Jenkins and Mr. Ferguson have gone home on account of illness.

The flu cases are doing well and with the aid of Mrs. Bruner, the boys when ill feel as tho they were at home and extend to her their many thanks and appreciations for her kindness.

The members of the athletic committee are already busy of the baseball schedule for the coming season.

The prospects for a real good team in Eastern is looking rather bright and we hope to have some real good games.

Prof. Booth resummed work today after an absence of several days.

Mr. Ramsey and Prof. Cox returned from Louisville last night.

News has been received at the Normal that a son has arrived at the home of Prof. and Mrs. J. B. Culbertson in Greeley, Colo.

Prof. J. S. Pullen formerly head of the Agricultural Department, and Miss Mabel Garrett, graduate of Eastern Class 1918, were married January 28th. Prof. Pullen is now county demonstration agent of Hart county.

Miss Marjory Pierce is confined to her room with a slight attack of illness.

Dr. Carpenter To Bring Message From Big Meeting

The committee in charge of the lecture course at the Methodist church, announce change in date for Dr. Carpenter's lecture on "America and the Task of the World's Rebuilding," which was to have been given on Friday night. The date has been changed to Monday night, March 3rd. The change has been made in order to release Dr. Carpenter to attend a meeting of the National Congress of the League to Enforce Peace to be held at Atlanta, Friday and Saturday. Mr. Carpenter has been selected as one of the Kentucky speakers of the League to Enforce Peace and his Monday night lecture will have added interest as he comes direct from the Congress meeting in which ex-President Taft, Henry Van Dyke, James W. Gerard and others will be headliners.

Shelby Jett Very Low

Mr. Shelby Jett, whose condition was thought to be improved Sunday, suffered a serious relapse Tuesday afternoon and since that time has been totally unconscious. His entire family have been called to his bedside and very little hope is given out by his physicians. Mr. Jett is one of the county's very best citizens and his friends hope to hear more encouraging news.

Why do people sleep

Remember the morning you woke up with a feeling that you really had been sound asleep all night? Never felt so well before! Nor looked so fresh and rested—nor got things done so easily.

IT WAS the deep sleep that did it. Nothing keeps us looking so young or feeling so vigorous as enough deep, restful sleep—every nerve and muscle relaxed.

Do you ever really relax?

The chances are you don't.

No matter what you do to bring sleep, you will never sleep sound unless your bed invites perfect relaxation.

Thousands who for years have been "light sleepers"—waking at every sound—sleep the night through on a Simmons Bed.

Why the Simmons Bed?

The Simmons Metal Bed is strong and rigid where the average bed is weakest—in the corner locks.

These are some of the Simmons basic patents—the pressed steel corner locks—they have much longer locking surfaces than you find in the average bed. In fact, it is the pressed steel corner locks that have made possible the Simmons new Three-piece Bed—the spring made in a single unit with the side rails.

Don't Blame Your Mattress for the Faults of Your Spring!

Everybody knows the spring that slackens; sags and lets the sleeper roll into a hollow—or cracks with the slightest movement—or that does not fit four-square and firm on the bed, and knocks and rattles.

The Simmons Slumber King Spring is taut, but elastic—never slack. It gives to the contours of the body—supports the spine in any

sleeping position—is noiseless, invites relaxation, and promotes natural, restful sleep.

Finished smooth—can't tear ticking of mattress. The entire spring has a rust-proof oxidized-silver finish.

Simmons Beds are Made in All Sizes and Styles

Full double—Three-quarter—Full single—Standard single—and Twin Beds.

You will find a range of styles to select from in brass, and in enamel with and without brass trimmings.

Simmons styles are good. Whatever your bedroom decoration scheme, you will find a Simmons Bed that "belongs."

Beautifully finished. Lacquer, perfect. Enamel free from pin-holes, blisters and lumps—clear and smooth.

Your choice of white, cream and delicate tones of colors in vogue for interiors today.

And now with regard to the unusual variety of TWIN BEDS

Nice people everywhere are discovering that separate beds for each person is a great aid toward perfect rest and sound health.

One sleeper does not disturb the other. Colds, sore throat, and other infections are not communicated. And one sleeper does not draw on the vitality of the other.

Simmons Beds will cost you little if any more than the general run of metal beds. They are worth more—much more.

Come in and let us show them to you.

Would This Hurt Major Wilson?

Prominent Lexington democrats are making quite a lot of speed, it seems, with their boom for Major Samuel M. Wilson, for the democratic nomination for governor. Major Wilson is a high class gentleman in every way, and would make an admirable governor, if he could win it with the un-

avoidable handicaps that he has. Discussing his prospective candidacy yesterday, a prominent democrat here said to the Daily Register:

"Sam Wilson is a fine fellow in every way, but is hardly the man for the democrats to nominate or even seem to nominate for governor. If those who are boosting him the strongest would look in the files of the daily papers a few years back, and read what Wilson said of Goebel and other prominent democrats, and what he said of Caleb Powers, at the time, Major Wilson was one of the chief attorneys defending Powers, they might doubt, as do a great many others,

whose memories run back a few years,—whether, after all, Wilson would make a strong candidate to go before the democrats of Kentucky, at this or any other time. There are still many thousands of democrats in Kentucky who revere the memory of the lamented Goebel, and who will hardly look with complacency upon the candidacy of any man who 'went to the front' for Caleb Powers as Major Wilson did, while engaged in defense of Powers following the assassination of Goebel."

It might be worth while for our Lexington friends to ponder this point over a little before committing themselves too strongly to Major Wilson.

THE BEMIS TOBACCO SETTER
HAS A NATIONAL REPUTATION FOR ITS HIGH QUALITY AND WORTH

In a Tobacco Setter—QUALITY REGULATES the PRICE, the same as it does Farm Lands or the Tobacco the Land produces.

If you want to raise good Tobacco—both quantity and quality, you can best do it by properly setting the plants with a Bemis Setter.

The Bemis Tobacco Setter is Universally used, which is absolute proof of its superiority.

We have only a limited number of unsold Bemis Setters, and we advise you to order now. Write, phone or call in person.

Fayette County Agricultural Agent L. S. Robbins has an exhibition in his office at the court house two stalks of tobacco that were grown on the farm of C. C. Leer, about two miles from Paris, on the Maysville pike. The stalks are over six feet high and contain 20 leaves each of fully matured tobacco. Three years ago Mr. Leer found growing in his tobacco field two or three stalks that showed excessive growth and he reserved them for seed. The past season he cultivated one-half acre of the phenomenal weed that had shown such wonderful growth, and will try it out the coming season. Of the one half acre grown last year he sold \$716 worth and has a few pounds left. Mr. Robbins will grow a small patch of the "special" this season. Mr. Leer has not given the new species any name.

"I SUFFERED SEVEN YEARS"

Was Eventually Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I suffered for seven long years with a lame back, irregularities, and pain. I had one physician after another but they did me no good. I read about Lydia E. Pinkham's Vegetable Compound and gave it a trial and in a short time I felt benefited and am now feeling fine, and without weakness or pain. Many of my friends have also taken Lydia E. Pinkham's Vegetable Compound and been helped by it."—Mrs. MARGARET NESS, 1846 E. Hazzard St., Philadelphia, Pa.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, sideache, headaches or "the blues" should not rest until they have given this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for special suggestions. The result of its long experience is at your service.

Millions of Catarrh Germs Afloat in the Air

Atmosphere is Laden With Germs of The Disease.

Every person afflicted with Catarrh sees millions of the tiny disease germs with every cough or sneeze, so whenever on the street cars or in other public place you see a person afflicted with this disease coughing and sneezing, there in their vicinity is exposed to disease.

Along with everyone else will be himself exposed to the germs of Catarrh several times every day. The disease multiplies by the millions, and you breathe is thick with these little disease demons that cause much distress and suffering.

Catarrh is one of the most stubborn diseases, and is always worse in cold, damp and disagreeable weather. It is, however, to be considered in that, though there are thousands with it who are doubtless believe that a cure is impossible of their experience.

For all other afflictions, the trouble is that Catarrh is understood, and therefore in the wrong way. Because the germ demons attack the membranes of the nose and bring up the air passages along the tender lining of the bronchial tubes, the average makes the mistake of

treating merely the symptoms of the disease, and overlooks its cause.

You must realize that there is a mere local irritation that stops up your nose and irritates your throat and chokes up your breathing apparatus.

Your blood is saturated with Catarrh germs, and these will continue their irritating attacks as long as they remain in the blood.

The only sensible treatment, therefore, is the one which will rout the disease germs from the blood.

This is why the most satisfactory remedy for Catarrh is S. S. S., the famous old reliable blood purifier.

S. S. S. has been used successfully for Catarrh for more than fifty years, and it is the one remedy that attacks the source of the disease, cleansing the blood thoroughly, and eliminating from it every trace of disease germs.

If you want a remedy that goes directly to the seat of the disease, begin to take S. S. S. to-day, and throw away your atomizers and other local treatment that cannot possibly reach your Catarrh. You will be delighted after giving this remedy a trial, and will soon find yourself on the road to a complete recovery. S. S. S. is sold by druggists everywhere.

Begin its use to-day, and write for free medical advice about your own individual case. Address Chief Medical Adviser, 108 Swift Laboratory, Atlanta, Ga.—(Adv.)

Run-Down People Vinol is What You Need

Weak, run-down nervous men and women need Vinol because it contains the most famous reconstructive tonics in an agreeable and easily digested form:—Beef and Cod Liver Peptones, Iron and Manganese Peptones and Glycerophosphates.

We guarantee there is no tonic equal to Vinol.

HERE IS PROOF

Detroit, Mich.

"I got into a weak, run-down condition, no appetite, tired all the time and headaches—but had to keep around and do my housework. I read about Vinol and tried it—within two weeks I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."

Mrs. John F. Watson.

For all run-down, nervous, anemic condition, weak women, overworked men,

feeble old people and delicate children, there is no remedy like Vinol.

Texarkana, Texas.

"I keep house and I was weak, run-down and nervous, back ached a good deal of the time, so it was hard to take care of my chickens and do my work—Vinol has restored my strength, and my nervousness has gone, so I can do my work as well as ever.

Every run-down woman should take Vinol."—Mrs. Emma Britt.

For all run-down, nervous, anemic condition, weak women, overworked men,

feeble old people and delicate children, there is no remedy like Vinol.

Reds Seem to Control Bavaria

(By Associated Press)

London, Feb. 26—A Basle dispatch filed Tuesday says the workmen and soldiers council of Munich sent a wireless to all countries announcing a dictatorship of Munich by the proletariat and peasant has been proclaimed in Bavaria.

Berlin dispatches last week reported the Soviet council in control at Munich. More recent advices told of ministerial appointments by the new government but owing to the disordered condition no comprehensive account of developments was obtainable.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave his patients a prescription made of a well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on liver and bowels, which cause a non-action, carrying off the waste and poison matter in one's system.

If you have a pale face, sallow looking eyes, pimples, coated tongue, headache, listlessness, no-good feeling, all out of sorts, inactive bowels, you take one of Edwards' Olive Tablets nightly for a week and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—their best substitute for calomel—now then just to keep in the pink of condition 10c and 25c per box. All druggists.
